Product description

The **Felina 205292** bra is a bra from the **SECRET DELIGHT** collection in PEARL GREY colour. This model is a composition of femininity and delicacy with a comfortable and modern style. The floral embroidery on the upper part of the cups is repeated on the front of the straps, while on the lower part of the cups there are slightly lighter dots. In addition to this, the **Pearl Grey** colour is one of the special colours that do not appear every day in the **Felina** collections, so every woman will feel special and appreciated wearing this model. Also this time a small bow has been applied between the cups, which adds a bit of sweetness in the **SECRET DELIGHT** collection.
