Product description

The **Felina Divine Vision** collection, particularly model **206222** is a composition of lightness and functionality in everyday underwear. Well-known 'teardrop' shaped cups made of a breathable and very delicate material have been used. The net on the band and the tip of the cups adds a little sporty accent to the model. A great attribute of this spacer, are the adjustable and removable braces, which can be X-hooked, so that the braces will not be visible even under sporty tops.

Composition:
49% Polyester
34% Polyamide
17% Elastane
