Product description

Classic **Felina 210292** panties from the **Secret Delight** collection in the colour of **PEARL GREY**. The underwear delights with its lightness and precision of workmanship. The 210292 briefs have a classic cut, are below the navel and discreetly cover the sides and bottoms. The whole underwear is made of high quality knitted fabric. The distinguishing feature of the whole collection is the mesh on the sides with delicate floral embroidery. In addition, the front part of the underwear is reinforced with a slightly tightening fabric for better shaping of the abdominal area, in this part the fabric is also covered with embroidery in the form of small dots. The material on the buttocks is slightly different, more elastic, delicate and pleasant to the skin. The laser-cut finishing on the buttocks makes the **210292** panties unobtrusive under outerwear and well-fitting to the body. The front legs are finished with a smooth elastic band.

The classic Felina **210292** panties from **Secret Delight** series are decorated with a satin bow on the front, which adds a unique character to the lingerie.
