Product description

The **Felina 214222** is a fabulous shorty from the **Divine Vision** collection. An unrepeatable style thanks to the decorative net that is exposed at the back and sides of the model. The smooth material insert in the centre front makes these panties strong, but at the same time very delicate and sexy. Thanks to the construction of the shorty and the breathable material it is made of, you will feel fresh and light all day long. A little bow has been added in the middle, giving a bit of sweetness and sensitivity to women.

Composition
