Product description

The Felina 376 **Wireless** bra from the Weftloc collection is a high quality lingerie. Weftloc series is a slimming collection which combines simple form with functionality. The **Wireless** bra is very comfortable, but thanks to its strong, flexible material it provides exceptional support. Flat seams and additional reinforcements at the neckline make this bra a really good fit. The gently visible cross-linking of the fibres gives the bra an aesthetic look.

Soft, built-in cups without underwire
material like a second skin, gently wrapping the entire breast
ergonomic, flat shoulder straps
material covered with a slightly glossy striped pattern
Composition: 75% polyester, 25% elastane

Also available in Weftloc collection:
body without underwire 5076, high bottom 8076, panties with legs 8276

This product has additional options:
