Product description

The corset wireless Felina 5019 from Moments collection is high quality lingerie. The body provides a gentle slimming and slim figure. Thanks to its unique structure it reduces abdominal and hip imperfections and the beautiful floral lace adds a feminine touch.

soft cups wireless
the side part of the bra wind the whole breast and models it inwards
comfortable shoulder straps with ergonomic shape
the lower part of the cup is smooth and the upper part is covered with flat lace
additional layer of material on the belly ensures slimming of the silhouette
Composition: 78% polyamide, 19% elastane, 3% polyester

Also available in the Moments collection:
bra with underwired 519, bra without underwired 319, panties 1319
