Product description

Body without underwire Felina 5076 from the Weftloc collection is high quality lingerie. The corset is made of intersecting elastic fibres, which are highly absorbent. This makes the body very slimming, one size less guaranteed! The simple form, flat seams and slightly glossy pattern provide exceptional comfort and an unusual look. Breathable and soft material makes the body fit, slim and at the same time fit like a second skin.

soft cups without underwire
comfortable, flat shoulder straps
additional layer of material on the belly ensures slimming of the silhouette
flat ends on the buttocks
Composition: 65% polyamide, 35% elastane,

Also available in Weftloc collection:
underwired bra 376, tall panties 8076, panties with legs 8276
